# Customize Your FUN

Whether you're a power lover or a super-sensitive masturbator, VIM has a setting that will feel great on your body. Our toy has a wider range of vibrations (even on programs!) than other leading wands, from gentle quivering to wild quaking. With VIM, you can customize your pleasure. Hold the  or  buttons to micro-adjust the vibrations in any setting.

# Tailor Your O.

Experience different types of orgasms with different programs. VIM has five speeds and three programs:

Deep Orgasm, Intense Orgasm, and Edging.

**Deep Orgasm** is a rumbly program that starts with light vibration and builds up to the maximum setting. It does all the work for you! **Intense Orgasm** is fast and powerful, for a blissful quickie. **Edging** builds in intensity and then drops off, again and again, and reaches higher heights until you climax.

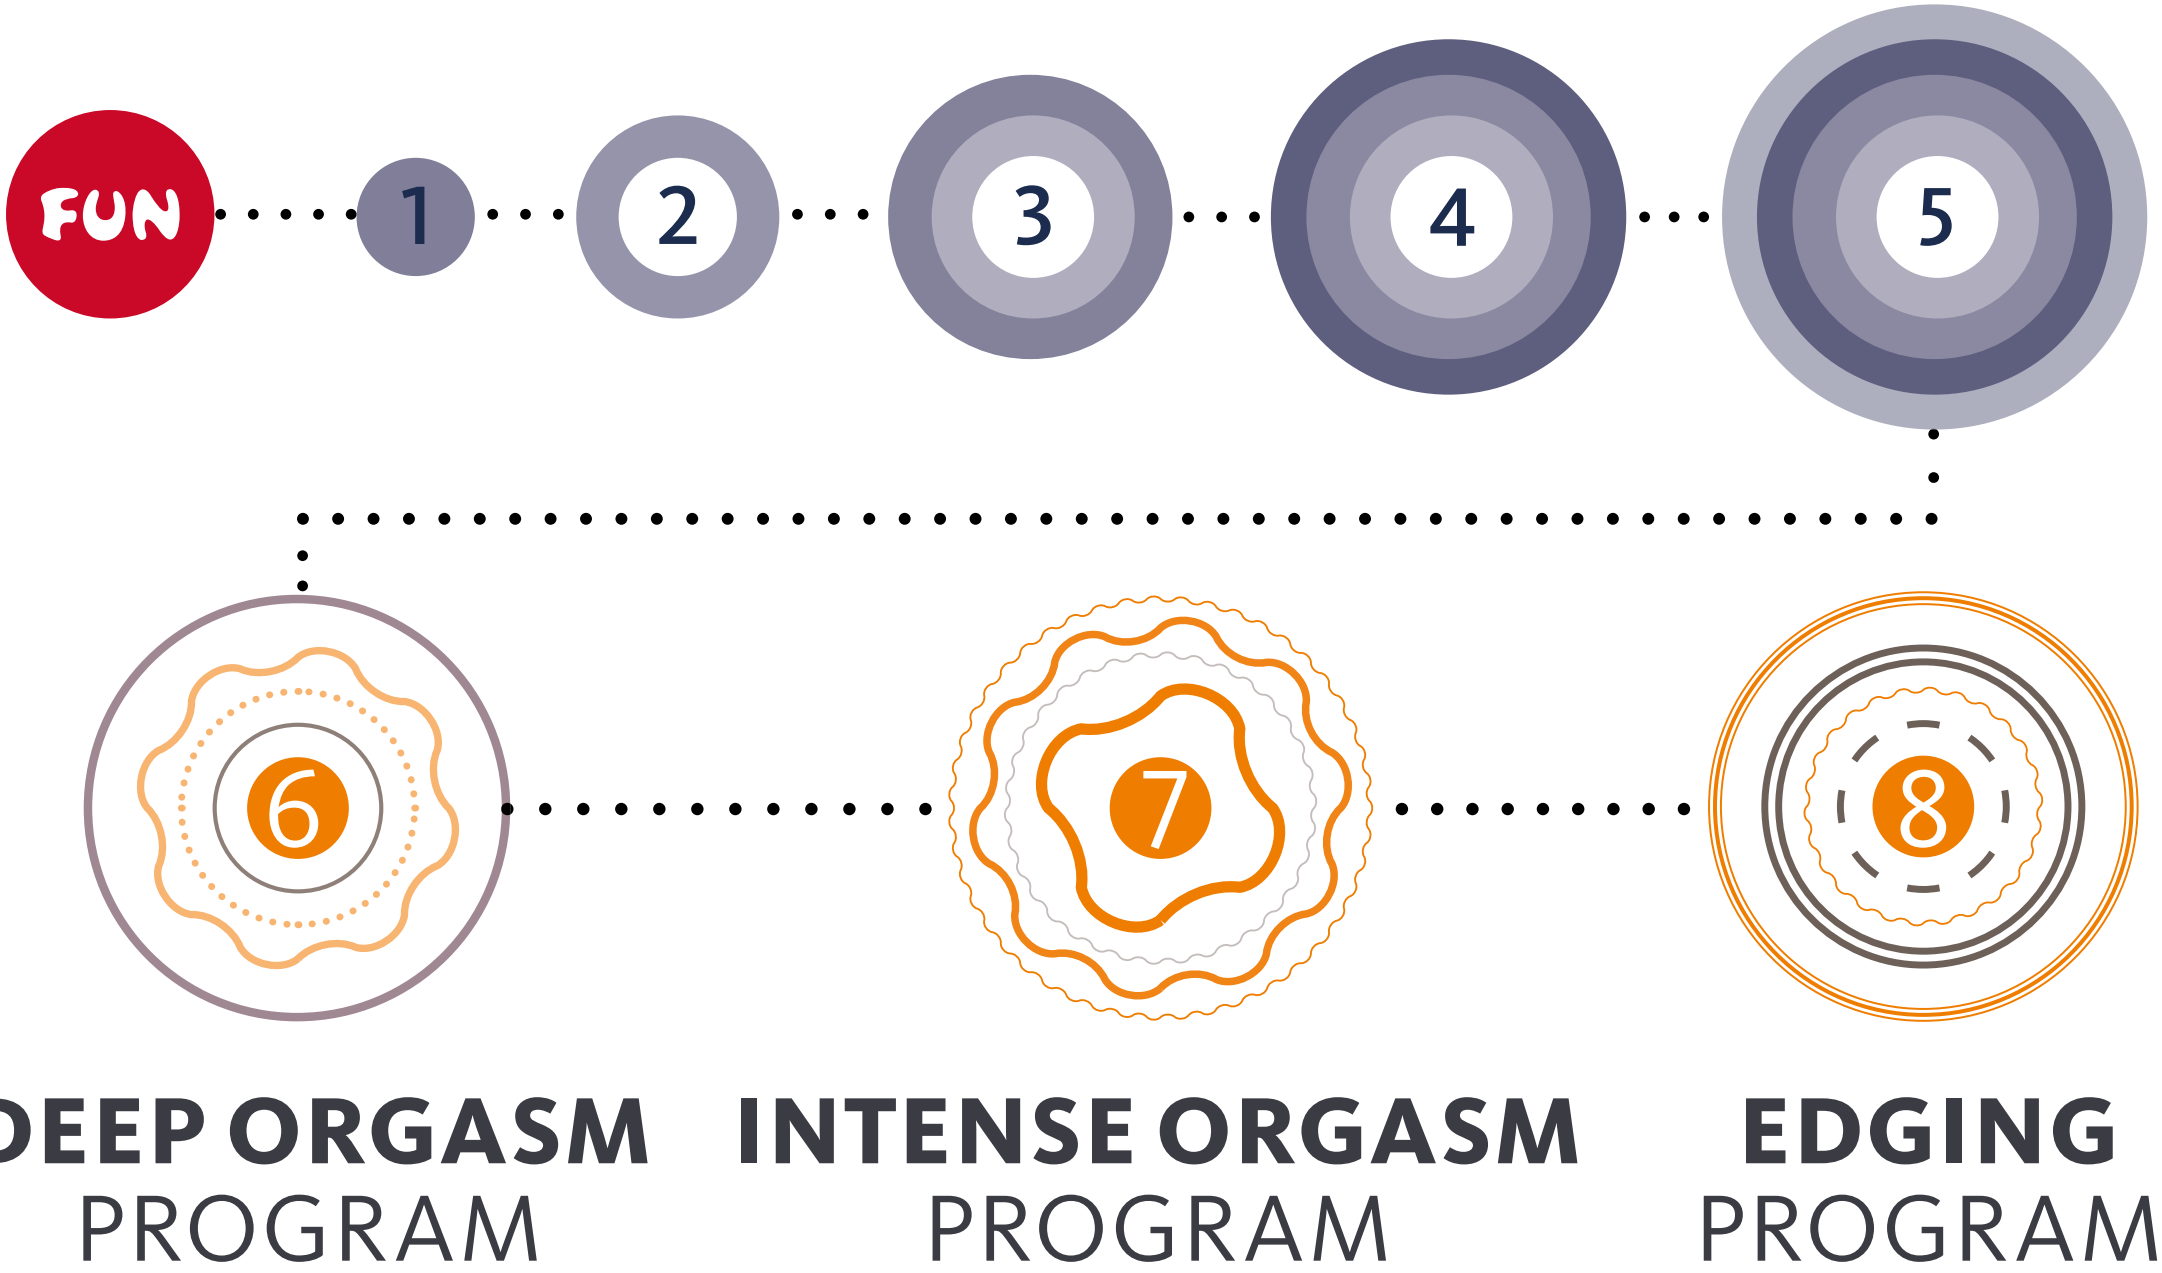

**REMEMBER:** Consent is not only important but also sexy! Make sure you both agree to these flirts and dares or make up your own!
